Date: / /2026

Sub: Grant of permission for purchase of Binocular Microscopes for year 2026-2027.

Department of Veterinary Pathology, KNPCVS, Shirwal is actively engaged in undergraduate and post-graduate teaching as per VCI and ICAR curriculum. As per minimum standards of veterinary education (MSVE-2016), it is essential to have sufficient binocular microscopes for practical classes of students for histopathological demonstration of pathological lesions. The intake capacity of the undergraduate degree program is increased recently leading to increased batches for practical courses of veterinary pathology. The undergraduate and post graduate practical courses like General Pathology, Systemic Pathology, Animal Oncology and Clinical Pathology involve microscopic examination of tissue slides.

Hence, it is requested to grant the permission to procure of 06 binocular microscopes for UG and PG teaching at Dept. of Veterinary Pathology, and for Dept of Vet. Public Health and Epidemiology, KNPCVS, Shirwal. The approximate cost of binocular microscope would be between Rs. 50,000/- to 55000/- depending on the model with a proposed total expenditure of Rs. 3.00 lakhs. The expenditure towards purchase of binocular microscopes will be done from the funds available under revenue receipt for year 2026-2027.

Submitted with a request for grant of permission for purchase of binocular microscopes. It is further requested to accord permission to call the Price list/ quotation from manufacturer/ authorized distributor for the same.

Professor & Sectional Head

Submitted to The Associate Dean, KNPCVS, Shirwal with a request for grant of necessary permission pls.
